To whom it may concern:

I am writing this letter to recommend Alondra Matute for the position of sales representative at your company. Alondra was a key inside sales representative at Gamelearn for over a year in our Mexico City office and in that time-span she had an outstanding sales record . She's a diligent worker and very client centered, and I'm sure she'll be as successful at your company as she was at ours.

Alondra was tasked with meeting specific weekly and monthly sales goals, soliciting and making sales contacts. She was able to forge some excellent customer relationships and facilitate sales for the rest of the team. Alondra was one of the hardest workers, doing whatever it took to get the best, and she almost always accomplished it.

Sales requires a natural skill in dealing with people and knowing the right thing to say, and this was perhaps where Alondra set herself apart the most. Customers simply loved her and she was able to connect with them in a meaningful way. Her skills, and the results she achieved, make sure that she comes with the highest recommendation.

Respectfully,
